EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

a) In the Title

Replace title with: --Method of Manufacturing a Semiconductor Device Including Forming a Pattern, an Interlayer Insulation Film, Exposing the Patterning and Flattening --

b) In the Claims

In claim 1, line 12, delete "him" and insert -- film--

Cancel claims 13 and 14.

This application is in condition for allowance except for the presence of claims 13-14 directed to an invention non-elected without traverse. Accordingly, claims 13-14 have been cancelled.

Reasons for Allowances

The following is an examiner's statement of reasons for allowance: the features in claim 1, lines 6-16, "depositing an interlayer insulation film to cover the first and second patterns;

the interlayer insulation film filling a region between the first and second patterns;

forming a photoresist film on the interlayer insulation film;
treating the photoresist film in stepper exposure and development to form a photoresist pattern of a photomask having its device pattern matched with the first pattern and its alignment marks matched with the second pattern;
selectively etching off the interlayer insulation film over the first and second patterns, with the photoresist pattern; and
after removing the photoresist pattern, flattening the interlayer insulation film to expose the surfaces of the first and second patterns, respectively," cannot be found in the prior art of record. The prior art of record fails to teach, in combination, the process features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to William M. Brewster whose telephone number is 571-272-1854. The examiner can normally be reached on Full Time.
